

Application No. 10/730,693

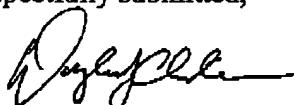

REMARKS

Claims 5-15 are pending. By this Amendment, claim 5 is amended. Claims 5-15 remain pending in the application.

An Amendment was filed on December 27, 2005 in response to a final Office Action of July 1, 2005. Said final Office Action stated claim 5 "... would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims." Additional limitations of "has an arcuate shape elongated in a circumferential direction of the faster so as" not found in the base claim or an intervening claim was inadvertently added rather than "arranged and constructed". This Amendment seeks to correct this oversight.

The Examiner is invited to telephone the undersigned if the Examiner believes it would be useful to advance prosecution.

Respectfully submitted,
